

Switch lug DASI-E21-90/110-S8-SL

Part number: 8081061

FESTO

Data sheet

| Feature | Value |
|----------------------------------|-------------------------------|
| Size | 90 110 |
| Type code | DASI |
| Design | for M8 sensor |
| Design | Switch lug |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| Ambient temperature | -10 °C ... 60 °C |
| Product weight | 77 g |
| Type of mounting | With slot nuts |
| Note on materials | RoHS-compliant |
| Retaining bracket material | Steel, galvanized |
| Material of screws | Steel, galvanized |
