## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Width dimension                  | 22 mm                         |
| Type code                        | VABM                          |
| Mounting position                | Any                           |
| Max. no. of valve positions      | 2                             |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| Product weight                   | 344 g                         |
| Type of mounting                 | With through-hole             |
| Pneumatic connection 1           | G1/4                          |
| Pneumatic connection 3           | G1/4                          |
| Pneumatic connection 5           | G1/4                          |
| Note on materials                | RoHS-compliant                |
| Manifold rail material           | Wrought aluminum alloy        |
