

End stop kit KSM-10

Part number: 175835

FESTO

Data sheet

Feature	Value
Size	10
Adjustment range of swivel angle	0 deg ... 200 deg
Swivel angle	200 deg
Type code	KSM
Mounting position	Any
Precision adjustment	-5 deg
Design	Stop lever
Position sensing	None
Ambient temperature	0 °C ... 60 °C
Product weight	100 g
Covering material	PA-reinforced
Note on materials	Free of copper and PTFE
Stops material	High-alloy stainless steel
Housing material	Aluminum Anodized
